Description:

The Belhaven housing is a two-bedroom (four beds) apartment with a den area, fully functioning kitchen and two and a half baths. There is a work area set up in the kitchen with a computer. The apartment is located above the Caldwell Banker Realty office. You may be required to share a room. **Since a site could be at capacity due to schedule changes etc…. please only use the amount of space allocated to one person. You may or may not be on site when a roommate arrives.**

This site was developed in conjunction with the Interdisciplinary Rural Health Training Program.

The site is furnished with cooking utensils, silverware, glassware, plates, pots, pans, coffee maker and microwave. A TV with cable is provided. You will need to bring linens for a twin bed and towels. This includes a pillow and a comforter. You may bring other items such as a television, radio, alarm clock and iron. You are also responsible for toilet tissue, scott-towels, trash bags and general light bulbs. I try to replace light bulbs when I do site visits but can’t keep up with supply and demand on a weekly basis. 😊 It may also benefit you to bring an answering machine.

**Wireless Internet**

Wireless broadband internet has been installed at this site. We ask that you please read and comply with the service provider’s (Century Link) Acceptable Use Policy (AUP) and leave the copy provided for the next occupant. Several copies of an orange slip of paper stating Network Name (SSID) and Password (Key) have been left at the site.

**Cleaning**

Donna Dove cleans this site once in the middle of each a month. It is cleaned in the middle of the month to catch students coming and going. If you cannot wait for the site to be clean or the cleaning does not coincide with your rotation dates please feel free to clean the areas that concern you. 😊 I apologize for the water spots on the kitchen sink and that general area. No matter what we do to clean it as soon as it dries it is back to looking like that. I am trying to have it replaced.
Parking and Telephone

There is a gravel road next to the building with plenty of available parking.

Directions

Follow 264 East to Belhaven. As you come into Belhaven you will be on Main Street. Continue through town. You will see a two story beige building on your right. The apartment is located in the upstairs of the Caldwell Banker Realty office. (Use the door farthest away from the corner.)

Key

If you are a local ECU SOM student, you will need to come by my office to pick up a key. My office is located in the Venture Tower Bldg. (behind Burger King) in Suite 214. All other student’s keys will be mailed to the address on MyAHEC housing request.

When your rotation is completed put the key in the envelope and put in any postal box in the area. **There are two keys for this site. The key labeled A is for the door at the bottom of the stairs. The key labeled B is for the door at the top of the stairs.**
