Parking and Mail

The gate does close at night. The gate code is the same as the last four digits of the phone number. You will need to press the # sign and then follow **immediately** with the 1097. At this time there are no designated parking spaces the units. There should be enough parking available to park relatively close to your unit. Your mailbox is located on the first floor of your unit. There is an alarm unit inside your apartment but we **DO NOT** set it.

Telephone and Directions

Local phone service is provided. You will need to use a calling card for long distance phone calls. Use MapQuest for specific directions based on where you are departing.

Key

Lately, with the sites at Waterford we are leaving the keys under the mat and when you leave we ask you to do the same. I have a limited # of keys that I am allowed and the mail service is slow and sometimes students forget and then all of a sudden I am keyless. **If you will let me know the exact day of your arrival I can make plans to have a key there.**

Contact Mary Esther Sabados for more information. Her office hours are Monday-Friday from 8:00 to 5:00, telephone (252) 744 -3082. In the event of an emergency she can be reached at (252) 916-6799. She can also tell you about other students who will be at the site.
